

Final Scientific Program

Hands - On Pediatric Airway Surgery
2nd Edition

October 3rd-5th, 2019

UNICID

R. Butantã 285 - Pinheiros, Sao Paulo - SP 05424-140

October 3rd, 2019

(08h00 - 17h00)

08h00 - 08h30	Welcome coffee
08h30 - 08h50	Drug Induced Sleep Endoscopy Saramira Bohadana, MD
08h50 - 09h10	Preoperative & Post Operative Assessment in Laryngotracheal Stenosis Prof. Philippe Monnier
09h10 - 09h30	Anesthesiological Strategies for Airway Procedures Ana Carla Fujita, MD
09h30 - 09h40	Q & A
09h40 - 10h00	Bilateral Vocal Fold Paralysis Update in Non Surgical and Surgical Management Patricio Bellia, MD
10h00 - 10h30	Coffee Break
10h30 - 10h50	Subglottic & Posterior Glottis Stenosis Classifications and Endoscopic Treatment Prof. Philippe Monnier
10h50 - 11h10	SGS : LTR and Dilations: Indications, Surgical Techniques & Complications Prof. Patricio Varela
11h10 - 11h20	Q & A
11h20 - 11h40	PCTR: Indications, Surgical Techniques & Complications Prof. Philippe Monnier
11h40 - 11h50	Q & A
11h50 - 12h50	Panel: Subglottic Stenosis. Core Messages. Moderator: Alvaro Pacheco Pannelist : Prof Philippe Monnier, Prof. Patricio Varela, Michele Ugazzi, MD
12h50 - 13h00	Q & A
13h00 - 14h00	Lunch Break
14h00 - 14h20	Airway & Esophageal Treat Center. Working as a Team: Prof. Russell Jennings
14h20 - 14h40	Tracheal Surgery . Tips & Pitfalls Prof. Patricio Varela
14h40 - 15h00	Tracheomalacia and Posterior Tracheopexy Prof. Russell Jennings
15h00 - 15h10	Q & A
15h10 - 15h30	Coffee Break
15h30 - 15h50	Teaching Cases. My Worst Nightmares. Diana Romero, MD
15h50 - 16h10	H type congenital fistula: anatomical and surgical considerations Prof. Russell Jennings
16h10 - 17h00	Interactive Clinical Case Session. Moderator: Saramira Bohadana Pannelist: Prof. Philippe Monnier, Prof. Russell Jennings, Eduardo Leopold, MD
17h10	Q & A
17h30	Closure Conference Day

HANDS - ON COURSE

October 4th, 2019

(08h00 - 17h00)

Excised Goat Larynx Dissection in the Experimental Surgery Laboratory

Workshop in Laboratory

This workshop allows participants to learn open and endoscopic airway surgical procedures.

Surgical Tips & Tricks by **Prof. Philippe Monnier, Patricio Varela, Russell Jennings, Michele Ugazzi, Mauricio Yoshida, Beatriz Moraes, Diana Romero, Eduardo Leopold, Alvaro Pacheco, Saramira Bohadana e Roberta Pilla.**

08h00 - 08h30	Welcome coffee
08h30 - 10h00	Laryngotracheal Reconstruction Prof. Philippe Monnier · Costal Grafts - alternative designs: anterior and posterior graft for LTR (pig costal)
10h00 - 11h30	Cricotracheal Resection & Extended PCTR Prof. Philippe Monnier
11h30 - 12.h30	Tracheal Procedures (resection, slidetracheoplasty, tracheopexy) Prof. Russell Jennings, Patricio Varela
12h30 - 14h00	Lunch Break
14h00 - 17h00	Endoscopic Procedures · Supraglottoplasty · Epiglottopexy · Balloon dilatation · LT-Mold placement endoscopically · Vocal cord lateralization (percutaneously videoassisted) · Airway stent placement

ENDOSCOPIC DAY LIVE SURGICAL PROCEDURES IN THE OPERATING ROOM

October 5th, 2019

(08h00 - 17h00)

Live Broadcast from Operating Room at
Hospital Infantil Sabara to Conference Room at UNICID

Meeting Information

Language: English and Spanish
Local currency: Brazilian Real (BRL)

HALFCOURSE

Broadcast from the Lab at UNICID center

October 4th, 2019
(08h00- 16h30)

The Half Course attendees will be in the auditorium watching the broadcast dissections from the lab.

08h00 – 08h30	Welcome coffee
08h30 – 09h00	Laryngotracheal Reconstruction Prof. Philippe Monnier · Costal Grafts -alternative designs: anterior and posterior graft for LTR (pig costal) - Laboratory
09h00 – 09h30	Clinical Cases Presentations Patricio Bellia and Roberta Pilla
09h30- 10h00	Coffee Break
10h00 – 10h30	Cricotracheal Resection & Extended PCTR - Laboratory Prof. Philippe Monnier
10h30 – 10h50	Clinical Cases Presentations by the Audience
11h00 – 11h20	Clinical Case Presentation Diana Romero
11h30 – 12h00	Tracheal Procedures (resection, slidetracheoplasty, tracheopexy) - Laboratory Prof. Russe II Jennings & Patricio Varela
12h00 – 12h30	Clinical Case Presentation Alvaro Pacheco
12h30 – 14h00	Lunch Break
14h00 – 15h00	Endoscopic Procedures - Laboratory · Supraglottoplasty · Epiglottopexy · Balloon dilatation · LT-Mold placement endoscopically · Vocal cord lateralization (percutaneously videoassisted) · Airway stent placement · How to use miniplates
15h00 – 15h30	Coffee Break
15h30 – 16h30	Closure Plenary Conference: Tracheomalacia Update - Auditorium · The future of airway and esophageal treatments. Prof. Russell Jennings

ENDOSCOPIC DAY LIVE SURGICAL PROCEDURES IN THE OPERATING ROOM

October 5th, 2019
(08h00-17h00)

Live Broadcast to the Conference Room

08h00 – 08h30	Welcome Coffee
Room 2	
08h00 – 09h00	Clinical Case Presentation and Laryngobronchoscopy
10h00 – 12h00	PCTR Philippe Monnier
14h00 – 15h00	Clinical Case Presentation
15h00 – 16h30	Vocal Fold Lateralization Patricio Varela & Patricio Bellia
Room 3	
09h00 – 10h00	Clinical Case Presentation and Laryngobronchoscopy
11h00 – 13h30	PCTR Patricio Varela
Room 4	
12h00 – 13h30	Clinical Case Presentation and Laryngobronchoscopy Russel I Jennings
14h30 – 15h30	Clinical Case Presentation and Laryngobronchoscopy Russel I Jennings
Auditorium conferences	
08h00 – 11h30	Tracheobroncografia Eduardo Leopold Surgical planning in 3D Printer Mauricio Yoshida
13h00 – 16h00	Acquired Tracheoesophageal Fistulas Michele Ugazzi Laryngomalacia Roberta Pilla
